>
Rampage and Depth Charge fought in an ocean on Earth for one last time. As Depth Charge grabbed a spike of Energon and Began to Ram it into the twisted crabs spark he remembered something he should never have forgotten, A moment on his ship before it was sucked into the Anomaly that took him to Prehistoric Earth and into the Beast Wars...
>
*
>Computer: This sector has been declared forbidden by order of the High Council
>Depth Charge: Slag the high Council
>Computer: That would contradict program directive 9-3-
>Depth Charge: Just do it!
>Computer: Acknowledged... Scan positive, Energy signature of Protoform X detected
>Depth Charge: Yes, lock on and follow
>Computer: Anomaly Detected dead ahead. Reverse Course
>Depth Charge: What the pits going on?
>Computer: Temporal Anomaly vortex affecting all systems... Analyzing now
>Depth Charge: AAAAAAAAAAAAAAAAAAAAAAAAAH!
>*
> The Realization flashed through the Transmetal Manta's mind as his life diminished and his spark began to return to its origin, the sparkling Matrix. The light filled his optics.
 "He'll never die..."
